COVID-19 Pandemic

Details

 Published: 12 March 2020

The Ministry of Foreign Affairs, Trade and Commerce wishes to update the general public that Cabinet on Friday, 6th March, 2020, has taken the following decisions in relation to COVID-19 pandemic.

1. Cabinet granted approval for persons with a travel history which includes Iran to be quarantined for fourteen (14) days.
2. Approval was granted to continue quarantine requirements for persons with a travel history that includes the following countries, for 14 days: China, South Korea and Italy.
3. Approval was granted to discontinue quarantine requirements for persons travelling from the following countries: Singapore, Hong Kong and Japan.
4. Approval was granted to implement active surveillance of persons with a travel history that includes countries with community transmission.
5. Quarantine of non-residents will be at the cost of the traveler.
6. Social distancing and limits on mass gatherings will be considered.
7. Non-essential travel is not advised at this time.

Stay tuned for more updates on travel restrictions and screening procedures throughout Saint Vincent and the Grenadines.
