In order to strengthen the management of the movement of people and block the spread of the epidemic to the greatest extent, the relevant matters are hereby announced as follows:

1. The travel agencies of the whole province will suspend business activities from now on, and will no longer organize groups to collect customers; all groups that have already organized groups will be cancelled or postponed.
2. Postponement of the start of school hours for colleges, middle schools and kindergartens in the province.
3. The travel of the party and government organs, enterprises and institutions, garrisons and armed police forces within the province is cancelled.
4. All investment promotion activities of all regions are suspended.
5. Passenger flights, passenger trains, passenger cars and passenger ships entering and leaving Wuhan within the province will be temporarily suspended.
