## The announcement of the ban on the movement of people and roaming in the Kingdom from tomorrow morning, Saturday

٢٠٢٠-٠٣-٢٦

Amman - (Petra) - The Prime Minister and Minister of Defense, Dr. Omar Al-Razzaz, issued today, Defense Order No. (٢) for the year ٢٠٢٠, issued in accordance with the provisions of Defense Law No. (١١٣) for the year ١٩٩٢ and the following text

In accordance with the provisions of Paragraph (A) of Article (٤) of the Defense Law No. (١١٣) of ١٩٩٢ - and due to the emergency conditions in our region and the world as a whole, and to prevent the spread of epidemics, I decide to issue the following defense order: ١. It is forbidden to move and roam people in All regions of the Kingdom, starting from seven in the morning on Saturday, ٢٦/٣/٢٠٢٠ until further notice

All shops in all regions of the Kingdom will be closed. On Tuesday morning, corresponding to ٢٧/٣/٢٠٢٠, specific times will be announced that allow citizens to fulfill their necessary needs and with the mechanism that will be announced at the time

Excluded from the ban are persons authorized by the Prime Minister and Minister of Defense ٢ whose nature of their work requires the maintenance of public facilities

As for emergency medical cases, citizens must inform the General Security / Civil Defense to ٤ take the necessary measures to protect their health and safety in due process

Anyone who violates the provisions of this defense order and the communications issued by ٥ the Prime Minister and the Minister of Defense pursuant to it, shall be liable to immediate imprisonment for a period not exceeding one year

Prime Minister and Minister of Defense Dr. Omar Al-Razaz and Minister of State for ٢٠٢٠ Information Affairs Amjad Awda Al-Adayleh said during the press briefing and in the presence of the Minister of Health Dr. Saad Jaber and representatives of the Jordanian Armed Forces / Arab Army and the Directorate of Public Security, "We previously announced a decision not to leave the house except Of the utmost necessity, in order to protect them and preserve their safety,

"stressing that the countries of the world that have succeeded in reducing the severity of the virus are those whose citizens have complied with safety and health protection instructions, and not to .leave their homes

Al-Adayleh added, "We identified three basic matters that are necessary: the provision of food supplies and basic needs, emergency medical reviews, and people whose nature of their work requires them to be in their work centers, but, with regret, and I repeat: with regret, we touched yesterday not enough commitment from the citizens, and we saw aspects For shopping and ".roaming for citizens in the streets and markets

We are convinced that these manifestations pose a threat to the health and safety of citizens and" accordingly, and in order to protect them and preserve their safety, the issuance of Defense .Order No. ٢ was issued
