EIGHT FEVER CLINICS NOW OPEN

23/03/2020

Eight fever clinics are now operating around the country as part of the COVID-19 response plan.

Six clinics are now running in Nasinu, Labasa, Savusavu, and Nabouwalu. Two others have been running in Lautoka since last week.

Fever clinics are an important part of our response to the virus, as they give Fijians the ability to seek treatment without going to a hospital.

They also protect our hospitals from the spread of the virus.

The presence of a fever is one of the main COVID-19 symptoms.

Only those who have a fever should present themselves at a fever clinic.

There is no need for an appointment – just turn up and you will be assessed by a nurse.

The clinics are open from 8:00 am to 4:30 pm with additional hours for Lautoka clinics.

What can I do to protect myself against COVID-19?

Clean your hands regularly and thoroughly with soap and water or an alcohol-based hand rub.

Avoid touching your eyes, nose and mouth.

Maintain at least one-metre distance between yourself and anyone who is coughing or sneezing.

Always cover your mouth with a tissue or your elbow when coughing or sneezing

Do not share rumours and misinformation about COVID-19. Use credible sources such as the MHMS website (www.health.gov.fj/) or official Facebook page, or the WHO website (www.who.int).
