Ref: MOH/COVID-19/2019-2020/12

Date: 16.03.2020

Executive Order

In line with the global outbreak of COVID-19 which has been recently declared a pandemic by the World Health Organisation, the Ministry of Health would like to once more reinforce our earlier requests to all health workers to abstain from posting and sharing information regarding COVID-19. If you feel that your message requires dissemination to a wider population, please mail them to National COVID-19 Media Team at ncmt@health.gov.bt

We would like to reiterate that the Ministry of Health's social media handles (*facebook, twitter and instagram*) and MOH's *website* are the only source of truth in regard to the ongoing outbreak of COVID-19.

Issued for your kind compliance.

(Dechen Wangmo)
Health Minister
