Notification

Since the start of the COVID-19 global pandemic, the Royal Government has put in place various measures to prevent the importation and transmission of COVID-19. The Ministry of health has regularly advocated and disseminated information on this matter to the general public through the print, broadcast and social media.

In order to reinforce the implementation of the existing preventive measures, the COVID-19 Task Force in Phuentsholing hereby notifies all the concerned agencies both in government and private, involved in importing and exporting goods, to further strengthen COVID-19 Infection Control and Prevention Containment Protocol in their respective premises.

All relevant agencies of the Royal Government including private parties are directed to ensure the implementation of the COVID-19 Infection Control and Prevention Containment Protocol without fail.

Failure to comply with this notification shall be liable for punitive action as per relevant laws of the land.

This notification is issued in the interest of the general public for prevention of transmission of COVID-19.

The Containment Protocol is available on the website of the Ministry of Health.
