BMHC/Notification/06/2019-2020

March 8, 2020

NOTIFICATION

This is in relation to the recent video clip shared on the social media that traditional medicine *Norbu duen-thang*, is effective in prevention of COVID-19. The Drug Regulatory Authority and Bhutan Medical and Health Council jointly notify the general public that this product is indicated only for prevention and treatment of common flu, not COVID- 19.

Therefore, the general public is requested to refrain from sharing this information and seek necessary clarification if any, from the relevant Authorities.
