The Government of Nepal is monitoring the spread of Corona Virus (COVID-19). Taking into account the global recommendations and measure of the WHO, the Government of Nepal has decided to temporarily suspend visa-on-arrival for the nationals of the following countries, effective from 10 March, 2020 to till the date of further notice:

However, nationals from these countries, willing to visit Nepal can obtain visa beforehand from the Nepali missions abroad. Those applicants and also the nationals transiting from these countries bound to arrive Nepal are required to submit a recently issued health certificate stating that they are not infected by COVID-19 along with their visa applications. The aforementioned health certificate will be scrutinized both at the immigration at the airport in Kathmandu and the land border entry-exit points of Nepal.
