The Ministerial Committee for Coping with Coronavirus approved tonight (Thursday, by telephone survey) the Ministry of Health’s regulations for the fourth phase of the reopening plan which will take effect tomorrow, 19.3.2021 at 17:00.

1. If we will be able to take a prompt coronavirus test at the spot at the entrance to business operating under public health’s regulations for the fourth phase of the reopening plan which will be vaccinated on the spot.

2. At this phase, this option does not modulate the right to present negative test results to a regular coronavirus test for those who are not vaccinated or vaccinated but have not exceeded the validity period of their certificate.

3. Outdoor swimming pools, fairs or tourist attractions (including attractions which include facilities) will be allowed to operate.

4. Indoors fairs and spot exhibitions will be allowed to operate under the Green Pass requirements. This permit shall allow for the resumption of popular sporting events, such as workplace league etc. under the Green Pass requirements.

Events. Any organized event or activity will be allowed to be held under the Green Pass requirements, subject to dividing into two categories. Events with seated spectators and with no serving food (such as sporting events, cultural and educational events, programs for adults in seated participation and with no serving food etc.) or events where food is served or sold into two categories: Events with seated spectating and with no serving food (such as sporting events, seated cultural events, programs for adults in seated participation and with no serving food etc.) or events where food is served or sold.

Events under the Purple Badge requirements – at a ratio of one person per each 15 square meters. Attractions which include facilities – operating under an additional capacity restriction of to 1,500 people |

In an event with standing spectating or where food is served:

- In venues with more than 10,000 seats – up to 30% maximum permitted capacity or up to 5000 people
- In venues with more than 5,000 seats – up to 30% maximum permitted capacity or up to 3000 people
- In venues with more than 3,000 seats – up to 30% maximum permitted capacity or up to 1500 people
- In venues with more than 550 seats – up to 30% maximum permitted capacity or up to 660 people
- In events with standing spectating or where food is served

Up to 50% the maximum permitted capacity and no more than 500 people outdoors or 300 people indoors.

5. Renting in public establishments and businesses will be relaxed:

- The ban on operating in full premises will be canceled.
- Stands will be allowed to be placed in public premises subject to the guidelines (including space between stands or placing partitions between stands, selling only pre-packaged food and so on).
- Outdoor cultural events may be held without dividing into separate seating areas. The restriction on using the stages in gardens and pools will be released.

6. Sport facilities will be opened competitive athletes who are registered association or union members, including new athletes who do not participate in the sports in the last two years.

7. Social activities operating under the Purple Badge requirements – a separate list of one person per each 15 square meters, attractions which include facilities – operating under an additional capacity restriction of to 1,500 people |

Regulations for the Fourth Phase of the Reopening Program Approved, Effective 19.3.2021
