LEGAL NOTICE

4 Public Health (COVID-19) (Risk Determination and Mitigation Measures) (No. 2) Regulations, 2021 75
LEGAL NOTICE NO. 4 OF 2021

Public Health (COVID-19) (Risk Determination and Mitigation Measures) (No. 2) Regulations, 2021

In exercise of the powers conferred on me under sections 16, 17, 18, 38 and 43 of the Public Health Act, 1970¹, and in respect of the disaster-induced state of emergency declared by the Right Honourable the Prime Minister under sections 3 and 15 of the Disaster Management Act, 1997² against COVID-19 pandemic, I,

MOTLATSI MAQLEPO

Minister responsible for health, make the following regulations -

Citation and commencement

1. These regulations may be cited as the Public Health (COVID-19) (Risk Determination and Mitigation Measures) (No. 2) Regulations, 2021 and shall come into operation on the date of publication in the Gazette.

Interpretation

2. Unless the context otherwise requires -

“COVID-19” means Corona Virus Disease of 2019, caused by Severe Acute Respiratory Syndrome-Corona Virus 2 (SARS-COV-2);

“electrostatic spraying” means a method of spraying disinfectants that is proven as the only one which can achieve the required even-coating-of-surfaces, especially in hard to reach places;

“essential services” means goods or services as set out in Schedule III;
“face mask” in the case of -

(a) the general public, means a mask or material which covers the nose and mouth in compliance with WHO hygiene and safety standards for the purposes of preventing and controlling the spread of COVID-19; and

(b) a health officer or personnel, means a surgical or N95 mask;

“institution” includes a Government department, Government agency, Non-Governmental Organisation working in collaboration with the Government in providing goods and services, and a care facility for vulnerable groups;

“lockdown” means the restriction of movement of persons in accordance with the COVID-19 Risk Determination and Mitigation Measures set out in the Schedule I and as may be determined by the Minister;

“place of residence” includes the dwelling place and surrounding yard;

“polymerase chain reaction (PCR) test” means a technique for rapidly producing of many copies of a fragment of DNA or RNA for diagnostic or research purposes, which is conducted in a laboratory setting;

“Risk Determination and Mitigation Measures” means the official document which determines criteria, guidelines and the colour coding system and different stages of infection rate set out in Schedule I; and

“security officer” means an officer of an agency deployed pursuant to regulation 17.
Prevention of introduction and spread of COVID-19

3. (1) There shall be no movement of persons during the period of lockdown from 6:00pm to 7:00am for a period of 14 days, from the 14th to 27th January, 2021, except for purposes of providing or obtaining essential services in accordance with these regulations.

(2) No person shall be permitted to travel to and from Lesotho, except under the following conditions and as set out in Schedules I and II:

(a) a person who wishes to travel shall:

(i) adhere to WHO Health Protocols and Safety Measures provided for in Schedule I; and

(ii) provide a negative PCR COVID-19 test certificate issued within 72 hours before travelling and upon arrival at the port of entry or departure at the port of exit and as set out in paragraph (b);

(b) the negative PCR COVID-19 test certificate referred to under paragraph (a), shall contain the following:

(i) names of the traveller corresponding to the names in his passport or any other identity document;

(ii) a serial number which is not duplicated;

(iii) a clear and visible proof that the certificate is issued within 72 hours;
(iv) a date on which the swab was taken and on which the tests results were received and submitted to the traveller; and

(v) the name of a testing laboratory approved by the Minister responsible for health.

(3) The negative COVID-19 PCR test certificate referred to under subregulation (1) shall be valid for a period of 14 days from arrival at the port of entry and may be used for multiple entries during the period of 14 days.

(4) Notwithstanding subregulations (1), and (2), the Minister responsible for home affairs, or a person designated by him, in consultation with the Minister responsible for health may -

(a) in addition to the criteria or guide set out in Schedule I, determine a criteria, guide or protocol, to restrict movement of international travelers into Lesotho who test COVID-19 negative; or

(b) issue a directive for closure of a port of entry into Lesotho with immediate effect.

(5) Moshoeshoe I International Airport and all national airports shall be closed, and commercial and private aircrafts are suspended.

(6) A person -

(a) is prohibited to move beyond his place of residence or workplace, except as set out in these Regulations;

(b) shall, while in a public place, wear a face mask, except where a security officer requires that he remove the mask.
for security purposes; and

(c) who provides essential services or goods shall be required to produce a permit issued by -

(i) the head of essential services institution (Chief Executive Officer, Managing Director or business owners) for private sector to both staff and contracted service provider companies, which shall be in a form set out in Schedules III and IV; and

(ii) Commissioner of Police for public officers and the general public.

(7) A health worker, security or border agent shall wear a disposable face mask and a deaf person and a person who frequently communicates with the public while providing a service, shall wear a transparent mask or face shield.

(8) The Government may provide the following categories of people with face masks and where appropriate, the face mask shall be transparent -

(a) students and learners;

(b) vulnerable groups determined as such by the Minister responsible for social development; and

(c) inmates.

(9) A worker, who communicates frequently with the public, including a person with hearing disability, shall wear a transparent face mask and face shield.
(10) The Minister responsible for health shall ensure that transparent masks are available in a hospital for use in respect of persons with hearing disability when they seek treatment.

(11) The Minister may, in consultation with the Minister responsible for social development, issue guidelines in respect of persons with disability for purposes of ensuring compliance with health protocols relating to COVID-19.

(12) All businesses and other entities engaged in economic activity shall carry out the economic activity in accordance with Schedule I.

(13) An owner, a manager or person in control of an institution, business, enterprise, facility or entity, where goods are sold or services are supplied, shall -

(a) ensure that the institution, business or enterprise has put in place the following health and safety controls to ensure that customers -

(i) sanitise;

(ii) keep a distance of at least one meter from each other; and

(iii) wears a face masks;

(b) ensure that -

(i) all directions in respect of WHO COVID-19 Health Protocols and Safety Measures and the exposure of persons to COVID-19 are adhered to;
(ii) where appropriate, an employee wears protective clothing and a surgical, transparent or N95 mask to prevent the spread of COVID-19;

(iii) where necessary, employees work in shifts to avoid overcrowding and maintain social distancing in accordance with WHO COVID-19 Health Protocols and Safety Measures; or

(iv) a person who enters the institution, business or enterprise wears a face mask;

(c) limit the number of people entering the business to prevent the spread of COVID-19;

(d) where appropriate, avail -

(i) COVID-19 related information in accessible format, which may include, but not be limited to, braille and the use of large print option; and

(ii) sign language interpreters for supporting a person with a hearing disability a during consultation with a doctor, official speech, press conference and TV programme dealing with COVID-19 issues; and

(e) maintain prices as they were prior to the lockdown.

(14) All gatherings, entertainment, events, parks, recreational facilities and any other social activities are prohibited except -

(a) a gathering of not more than ten people at or around a
bus stop area for purposes of accessing and utilizing public transport services;

(b) passengers in a public transportation vehicle;

(c) a funeral service in accordance with subregulation (14); and

(d) a pitso of a maximum number of 30 people, for purposes of COVID-19 awareness and held outdoors.

(15) Funeral attendance is permitted for a maximum limit of twenty people outdoor only, ten of whom shall be family members and ten people for the purposes of assisting with the burial, subject to the observance of WHO Health Protocols and Safety Measures as provided for in Schedule I and -

(a) a person in attendance at the funeral shall wear a mask and adhere to WHO Health Protocols and Safety Measures;

(b) an area chief, headman or church priest or a family member responsible for organizing the funeral shall -

(i) ensure that the number of people attending a funeral is in accordance with the stipulated limits; and

(ii) be held personally accountable for non-compliance under regulation 3(14).

(16) A person who makes arrangements for or attends a COVID-19 funeral shall take a risk assessment and reasonable measures shall be and shall ensure that the burial follows approved guidelines issued by the Minister.
(17) All visits by members of the public to -

(a) isolation and quarantine facilities, hospitals and Ministry of Social Development facilities, including child and youth care centers, shelters and treatment facilities, are suspended for the duration of the lockdown; and

(b) a correctional institution, holding cell and military detention facility, shall, subject to the strict adherence to Schedule I and WHO Health Protocols and Safety Measures, be controlled and restricted to the health workers, legal counsel and oversight bodies.

(18) Notwithstanding any provision under the immigration laws of Lesotho, a permit issued to a foreign national during the period of lockdown, is deemed to be extended, if its expiration falls within the period of the lockdown.

Restrictions on transport

4. (1) All public and private transport is permitted to provide services with limited capacity and in accordance with Schedule I.

(2) A person in control of a vehicle, including a vehicle which transports children, shall ensure that all measures in respect of WHO COVID-19 Health Protocols and Safety Measures and the limitation of exposure of persons to COVID-19 are adhered to, including wearing a face mask.

(3) The Minister responsible for transport may, after consultation with the Minister responsible for health, foreign affairs, local government, police, trade, justice and correctional services, issue guidelines for the use of public transport for -

(a) international and domestic travel;
(b) bus and taxi services;

(c) private vehicles;

(d) aerial transport services; and

(e) railway.

(4) Aerial transport service is prohibited, except on the approval and issuance of a special permit by a relevant authority and for purposes of transporting -

(a) essential services personnel and goods;

(b) sick people or patients to hospitals or for any other medical requirement;

(c) healthcare providers;

(d) medical supplies required to combat COVID-19 or any other medical supply; and

(e) law enforcement officers.

Education

5. Schools shall operate in accordance with Schedule I.

Sports, Gyms, Fitness Centers, Parks and Recreational Facilities

6. (1) Sports, gyms, fitness centers, parks and recreational facilities shall operate in accordance with Schedule I.
(2) A sports event’s organiser shall adhere to and ensure that WHO COVID-19 Protocol and Safety Measures are adhered to.

Operating hours and mode of operation for gatherings, events, entertainment, entities, enterprises and businesses

7. (1) Operating hours for gatherings, events, entertainment, entities, enterprises and businesses shall be in accordance with Schedule I.

(2) Restaurants, shisanyama and similar entities, enterprises and businesses shall operate in accordance with the Schedule I.

(3) An owner of a hotel, lodge, guest house, self-catering, bed and breakfast, motels and similar entities, businesses and enterprises shall -

(a) keep a proper register of guests for purposes of contact tracing, and the register shall contain the following details of the guest -

(i) full names;

(ii) a copy of an identity document;

(iii) full address and place of residence; and

(iv) contacts; and

(b) when registering a guest who comes from outside Lesotho, request proof that the guest has been cleared of COVID-19 after quarantine.

(4) A manager of a factory shall adhere to and ensure that -
(a) a minimum distance of one meters is maintained between workers, and shall observe WHO COVID-19 Protocol and Safety Measures are adhered to;

(b) Occupational Health and Safety Guidelines issued by the Minister responsible for labour and applicable health and safety labour laws and social distancing measures set out in the guidelines are adhered to; and

(c) sector specific health protocols, are be developed and issued by the Minister responsible for the sector in consultation with the Minister of health.

(5) Subject to the stage of the lockdown a night club shall operate in accordance with Schedule I.

(6) A person who utilises, organises, owns or is responsible for a venue where a gathering, event, entertainment, or any other social activity is carried out, shall -

   (a) screen and maintain a register of attendees upon entry into the venue; and

   (b) ensure that the venue is disinfected before and after the event and in accordance with Schedule II.

Cleaning and disinfection of public places and places of business

8. (1) For purposes of this section, “public place” means an area which is accessible to members of the public.
(2) The Government shall ensure that public places are cleaned and disinfected based on risk assessment of each workplace in accordance with Schedule II.

(3) An owner or manager of an entity, enterprise or business, shall clean and disinfect his place of business on a daily basis through electrostatic spraying using non-toxic, non-irritant and scientifically proven disinfectants as may be determined by the Minister.

(4) Fumigation, fogging, sanitization tunnels, sanitization booths and high pressure hose spraying of disinfectants is prohibited for use as they are not effective disinfectants.

(5) Subject to the stage of the lockdown, a head of an institution which provides a religious service shall screen and maintain a register of attendees upon entry into each service and shall ensure that the place where the religious gathering is held is cleaned or disinfected after every service in accordance with Schedule II.

**Sale, distribution or transportation of liquor**

9. (1) All premises selling liquor shall operate in accordance with Schedule I.

(2) A person is prohibited from consuming liquor in a public place, except as set out in the Risk Determination and Mitigation Measures in Schedule I.

**Medical screening, testing and PPE**

10. (1) A person allowed to enter the country during the period of lockdown shall be subjected to a screening or testing process at the designated point of entry or any other designated place.
(2) Screening or testing shall be done on people who had travelled to affected countries, contacts of infected people and randomly to the general public.

(3) Any health personnel who is exposed to a confirmed case of COVID-19 shall be subjected to testing and self-isolation.

(4) All persons providing services, obtaining goods or seeking medical attention within Lesotho, may be subjected to screening for COVID-19 by an enforcement officer.

(5) A person who enters the country conveying goods or services shall -

(a) be subjected to screening;

(b) wear a protective surgical or N95 mask; and

(c) adhere to hygiene conditions to prevent the spread of COVID-19.

(6) A producer and supplier of COVID-19 related PPE, shall adhere to standards set and issued by the Minister responsible for health.

Quarantine and isolation

11. (1) A person who is identified with symptoms of COVID-19 shall be subjected to compulsory self isolation at a place designated as such under subregulation (5).

(2) A person, other than a foreign tourist coming from a high or low risk country with no signs or symptoms of COVID-19, shall -
(a) be subjected to self-quarantine for a period of 14 days with health personnel monitoring his health status or as otherwise directed by a health personnel; and

(b) observe quarantine protocols.

(3) A health personnel and a person who is exposed to a confirmed case of a COVID-19 patient shall be subjected to self-quarantine, for a period of 14 days under close monitoring.

(4) For the period of lockdown, a person refusing to be evacuated from any place subject to quarantine may be removed by an enforcement officer to a temporary shelter, if such action is necessary for the preservation of life.

(5) For the purposes of these Regulations, the Minister shall identify temporary shelters or sites for quarantine and self-isolation that meet the necessary hygienic standards for people who cannot isolate or quarantine in their place of residence.

(6) Notwithstanding subregulations (1), (2) and (3) a person entering Lesotho from high or low risk country with or without signs and symptoms of COVID-19 or health personnel who is exposed to a confirmed case of a COVID-19 patient shall be quarantined, isolated and tested, and upon receipt of results, if they test negative, shall be cleared by the Ministry of Health and released from quarantine or isolation without waiting for the lapse of the 14 day quarantine or isolation period.

(7) A person who transports COVID-19 tests or swab specimens, using any means of conveyance including a drone, shall do so in accordance with approved national transportation guidelines to be issued by the Minister in consultation with the Minister responsible for transport.
Travel ban between districts

12. No person shall travel from one district to another, except for purposes of providing or obtaining essential services, or attending to emergency.

Authority to issue directives

13. The Minister may issue directives to address, prevent and combat the spread of COVID-19 in any area of Lesotho, which directives may include -

(a) recruitment and training of human resources in respect of health;

(b) deployment of human resources in respect of health services;

(c) sourcing of human resources from retired health professionals and non-governmental organisations to render services in identified sites;

(d) the criteria for controlling the entry into the country from countries with high COVID-19 infection and transmission rate;

(e) identification of health equipment, sanitation materials and medical supplies;

(f) identification of mortuaries that will accommodate all COVID-19 mortal remains; and

(g) disposal of COVID-19 mortal remains.
Offences and penalties

14. (1) A person who contravenes regulations 3(6), 7(3), (4) and 8(2) commits an offence and is liable on conviction to a fine not exceeding 5,000.00 Maloti or imprisonment for a period not exceeding one month or both.

(2) An owner, a manager or person in control of a business, an institution, enterprise, facility or entity of who contravenes regulations 3(13)(e), (12), 4(2), 6(1) and 8(1) commits an offence and is liable on conviction to a fine not exceeding 10 000.00 Maloti or imprisonment for a period not exceeding two months or both.

(3) In addition to the penalty set out in subregulation (2), a business or enterprise which contravenes these regulations shall have its license suspended for the period of the lockdown.

(4) A person who fails to confine himself in accordance with regulation 3(1) commits an offence and is liable, on conviction, to a fine not exceeding 5,000.00 Maloti or to imprisonment for a period not exceeding one month.

(5) An owner, a manager or person in charge of a business who contravenes regulation 9 commits an offence and is liable on conviction to a fine not exceeding 20 000.00 Maloti or imprisonment for a period not exceeding two years or both.

(6) A person who tests positive but refuses to be quarantined under regulation 11 commits an offence and is liable on conviction to a fine not exceeding 20,000.00 Maloti or compulsory quarantine.

(7) A person who publishes or spreads fake or false information commits an offence and is liable on conviction to a fine not exceeding 5,000.00 Maloti or to imprisonment for a period not exceeding one month or both.
(8) A person who refuses to be screened or tested for COVID-19 under regulation 10 commits an offence and is liable on conviction to a fine not exceeding 5,000.00 Maloti or imprisonment for a period not exceeding one month, or both.

(9) A person who intentionally and maliciously damages a drone referred to in regulation 11(7), commits an offence and is liable on conviction to a fine not exceeding 20,000.00 Maloti or imprisonment for a period not exceeding two years or both.

(10) A law enforcement officer -

(a) shall, where a gathering is in contravention of these regulations order a person at the gathering to disperse immediately, and if a person refuses to disperse as ordered by the law enforcement officer, the officer shall take appropriate action which may, subject to the Criminal Procedure and Evidence Act, 1981, include the arrest and detention of any person present at the gathering;

(b) may, if he suspects that a person is hoarding medical supplies in terms of subregulation (11) and he has a search warrant, enter the premises and shall seize the medical supplies or any products or items found on the premises which are suspected to be medical supplies required to combat COVID-19.

(11) A person who facilitates the issuance of or presents at a port of entry, a false negative COVID-19 test certificate, commits fraud and may be detained or arrested, subject to the Criminal Evidence and Procedure Act, 1981.

(12) A person who hoards medical supplies which combat COVID-
19 during the period of lockdown commits an offence and is liable on conviction to a fine not exceeding 20,000.00 Maloti or to imprisonment for a period not exceeding two years or to both.

(13) A person who contravenes regulation 3(5) and 4(3)(d) commits an offence and is liable on conviction to a fine not exceeding 50,000.00 Maloti or to imprisonment for a period not exceeding three years or to both.

(14) An area chief, a headman, church priest or a family member responsible for organising the funeral who fails to comply with regulation 3(14) and (15) (b) commits an offence and is liable on conviction to a fine not exceeding 5,000.00 Maloti or to imprisonment for a period not exceeding six months or both.

General penalty

15. A penalty for an offence where no penalty is provided for shall be a fine not exceeding 5,000.00 Maloti or imprisonment for a period not exceeding 1 month or both.

Loss or damage

16. No person is entitled to compensation for any loss or damage arising out of any bona fide action or omission by an enforcement officer under these regulations.

Powers and indemnity

17. These Regulations do not limit any powers or indemnities of security services provided for in any law.
Deployment of security agencies

18. The Lesotho Defence Force, Lesotho Mounted Police Service, National Security Services, Lesotho Correctional Services and private security services may be deployed for purposes of enforcing and operationalising these regulations.

Announcement of stages of lockdown

19. The Prime Minister shall, on the recommendation of the Minister, announce the different stages of the lockdown by reference to their colour coding as set out in Schedule I.
