Decree 91/2022, of 16-3-2022, extending [Decree 81/2022](#) , of 9-3-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV-2 coronavirus .

Statement of reasons

The epidemiological and health indicators continue to show a favorable evolution of the pandemic, which allows the extension of the current preventive measures.

The micron variant is the predominant variant in most countries and also in Andorra, so the preventive measures that apply to people from higher risk areas can be repealed in order to avoid the transmission of 'this variant, and specifically to people from Botswana, Eswatini, Lesotho, Mozambique, Namibia, South Africa and Zimbabwe.

The Government's intervention is based on the provisions of the General Health Law, of March 20, 1989, and of Law 30/2018, of December 6, classified as public security, in the terms established by Law 19 /2020, of December 23, which modified them.

In this context, the extension, until March 23, 2022, of the measures adopted by [Decree 81/2022](#) , of 9-3-2022, of new exceptional measures due to the evolution of the health emergency situation caused by the SARS-CoV-2 coronavirus, which may be extended or modified depending on the evolution of the pandemic, and the repeal of [Decree 400/2021](#) , of 1-12-2021, by which additional exceptional measures are adopted due to the health emergency situation caused by the SARS-CoV-2 coronavirus relating to the confinement of people from areas of greater risk for to the prevention of new infections.

For everything that has been presented, at the proposal of the Minister of Health, the Government, in the session of March 16, 2022, approves this Decree with the following content:

Single item. Extension of exceptional measures

[Decree 81/2022](#) , of 9-3-2022, of new exceptional measures due to the evolution of the health emergency caused by the SARS-CoV-2 coronavirus, is extended until March 23, 2022

.

Derogatory provision

It is repealed [Decree 400/2021](#) , of 1-12-2021, by which additional exceptional measures are adopted due to the health emergency situation caused by the SARS-CoV-2 coronavirus relating to the confinement of people from areas of greater risk for to the prevention of new infections.
