

The Luxembourg Government

CORONAVIRUS

Visiting Luxembourg

Since **1 October 2022**, third-country nationals residing outside the European Union or the Schengen area may once again travel to the Grand Duchy of Luxembourg **for all types of travel**, including non-essential travel (e.g. for tourist or other reasons), regardless of their vaccination status.

However, the persons concerned **remain subject to the general conditions applicable for entry and stay of less than 90 days in the Schengen area**, including in particular being in possession of a valid passport and, for persons subject to the visa requirement to enter Luxembourg, being in possession of a short-stay visa.

Details of the rules applicable for stays of less than 90 days as third-country nationals and the exact procedures to be carried out beforehand can be consulted by following the link below:
